III. Committee Appointments

There have been 4 additions this week to even out the members in each committee. I would like to entertain a motion to pass appointments. Moved. Motion carries.

IV. Legislative Referral

R-10-7: A Resolution in Support of Creating an American Indian Studies Major

- Referred to Academic Affairs (Unanimous)

R-10-8: A Resolution Supporting the Husky Football Team in the Apple Cup

- Referred to Campus Life (CHRIS & DANIEL opposed, TIEN abstained)

SB-10-3: A Bill to Amend the Bylaws of the Seattle Student Technology Fee Committee

- Referred to Campus Life (JAMIE, DAVID, AIKO, TIEN abstained)

V. Approval of the Agenda

The priority of tomorrow's agenda should be getting the Legislative Agenda completed. If we are able to get the Agenda passed tomorrow, we don't have a problem with defending against the conduct code, as there are points in the Agenda that deal with defending civil liberties of students.

ALFREDO moves to extend Committee Meetings until 15 minutes. CHRIS thinks that keeping the meetings short is good and starting new business earlier would be more valuable. DANIEL thinks that there is a lot of legislation in committee that needs that extra time to discuss it. Motion carries. CHRIS opposed. TIEN, DAVID, DANA abstained.

JAMIE moves to place ASUW Presidential Privilege below Orders of the Day. CHRIS, ALFREDO, AIKO, DAVID opposed. DANIEL, JAMIE, DANA abstained. Motion fails.

CHRIS moves to approve as amended. Motion carries.

VI. Discussion Item

Lee Huntsman

AIKO: Something came up that makes it impossible for him to make it there until 6:15pm. Should we still have him come and speak?

DAVID: I think that it would be more pertinent to have him come next quarter after our Legislative Agenda and the Administration's Legislative Agenda will be out.

DANIEL: We could have someone else come instead of just getting rid of Public Forum?

CHRIS: If we just have someone come to talk for no real reason it doesn't really help us much.

AIKO: It would be difficult to find someone in one week that will be an important to us to hear and have something pertinent to share with us.

CAMMIE: It would be great to have that extra time for Committee Meetings and catching up before the end of the quarter.

VII. Approval of the Minutes

ALFREDO moves to approve minutes as amended. Motion carries.

VIII. Adjournment

ALFREDO moves to adjourn. Motion carries. Steering stands adjourned at 3:13 PM.
