Approval of the Agenda

Alex Kim moved to place R-11-32 as the first item under Orders of the Day.

Karl Smith said he didn't think we should pick and choose favorites.

Alex moved to amend amend to place all New business before Old Business.

Kelsey Knowles said he saw Karl's point, but didn't think that R-11-32 would be as controversial, and said it'd make sense to keep it above both R-11-26 and R-11-30, which she said would probably be controversial.

Karl said that first readings shouldn't be that controversial. He also pointed out that we usually had New Business before Old business.
